

The technical report on zkVMs and compilers is ready

<https://www.overleaf.com/project/653a686a43f852950a85bdf2>

The report is composed by these small articles:

- [Schemes for recursive proof composition](#)
- [\(N\)IVC-based ZKVMs](#)
- [Arithmetisations for recursive schemes](#)
- [ZKVM Compilers: Motivation](#)
- [ZKVM Compilers: Goals](#)
- [ZKVM Compilers: Conclusion](#)

I will be very happy to receive feedback
