

The 82 LTIPP protocols listed below have had their streams initiated by the LTIPP multisig. The Hedgey streams have 6 equal claim periods.

Hedgey has created this [dashboard](#) to help keep track of and visualize the progress of each stream.

Incentives Timelines

Dates of Stream claims:

June 3rd, June 17th, July 1st, July 15th, July 29th, Aug 12th

Bi-Weekly Reports

All protocols will be required to publish bi-weekly updates on the following dates

June 17th, July 1st, July 15th, July 29th, Aug 12th, Aug 26th, September 9th

End Of Incentives

All Incentives will have to end by September 2nd.

This puts the end date 13 weeks after June 3rd to give all protocols an extra week to start their incentives. After September 2nd all LTIPP protocols must return any leftover funds to the LTIPP multisig.

Streams Yet to be Started

The following 4 LTIPP protocols have yet to have their streams started either because of compliance delays or multisig setup delays. These protocols will have their streams begin as soon as they are ready. However, these four protocols will still follow the same end date for incentives, September 2nd.
