

Hi everyone,

We're excited to announce a new feature for Optimism called Delegator tracker! With Delegator tracker, you can easily lookup all the delegators and their token balance for any delegate in Optimism DAO. Unlike most tools that only display total voting power and count of delegators, Delegator tracker gives you more insight into who those delegators are and how much they have delegated.

To access the Delegator tracker, simply visit <https://www.karmahq.xyz/dao/optimism/delegators>. We hope this new feature will be useful for all Optimism community members, and we welcome your feedback on how we can improve it.
