Nomination Statement

Concise statement on why you are running for the Special Council

I believe I will be able to make a valuable contribution in providing guidance on issues that may be faced and I believe I have sufficient business and legal experience to be able to assist with effective governance or implementation.

Motivation

Details on your motivation for becoming an ApeCoin DAO Special Council member

ApeCoin has been a token that I have bought as I saw the amazing potential of this project that I believe all involved in this space also share. I want the project to achieve success upon success. When I saw the post on the application for Special Council I felt drawn to applying for it, it felt like a calling that came from nowhere, which I must answer. I believe I can assist with management experience and guidance on issues that may arise.

Rationale

Share relevant experience and skills that will bring value to the ApeCoin community

Legal and Management(Directorship) level experience in managing a company. Looking for the best solution to a problem, go hand in hand with management of a project like ApeCoin.

Specifications

Further describe relevant experience, including crypto and governance participation, and/or ideas for DAO improvement

I have previously voted and made suggestions as to proposals on an informal level in the crypto space. What I would suggest as a possible improvement is a type of community 'suggestion box' and those suggestions that are upvoted sufficiently (a required number of upvotes) can be formulated as a proposal by Council and be put up for a DAO vote, with Council listing possible pros and cons of the proposal they identified for the community.

Concluding Statement

Summarize your statement as to why you are the best choice for Special Council

I will venture to assist, guide, manage, provide advice and raise concerns where necessary and as such I will not only act as a member of the Special Council but can hopefully also act as a type of a Special Counsel for the Special Council.
