- Dewiz participated in the [29th Sovereign Finance AVC Subcommittee Meeting](#) discussing Spell Crafting.
- As an outcome of this meeting, it was agreed with Sidestream that a regular Q&A session every 2 weeks would be ideal to allow for the community, and specially ADs, to ask questions about spell crafting. The first session was led by Sidestream on Jan 31st on Discord.

Protocol Engineering Scope - Governance Security Engineering Work:

- Testing started in order to assess Tenderly as a partner to be used during the spell crafting paradigm after the Goerli testnet is deprecated.
- Both Sidestream and Dewiz have agreed to have monthly planning sessions in order to align on priorities for continuous-improvement efforts about spell crafting.
- A new spell-retro session is performed after spell delivery with the wider teams involved: Gov Facilitators, Sidestream and Dewiz in order to further surface and act on areas of improvement.

Misc

- As part of the onboarding process of new members into the team, this article explaining the inner workings of the Maker Governance Module has been [published](#).
