

Hi everyone,

[@jamie](https://github.com/anoma/202407-message-logic/blob/main/pdfs/main.pdf) and I would like to invite you to review our ART on service commitments. Here is the link to the pdf in Github repo: <https://github.com/anoma/202407-message-logic/blob/main/pdfs/main.pdf>

The ART corresponds with the two service commitment sessions we hosted at the Hacker House Q3.

We welcome any thoughts/feedback/questions as a reply to this thread.

Best,

Naqib & Jamie

P.S. Naqib is on vacation until October 11th and may reply later than usual.
