

I have seen that someone tracked this for ENS DAO.

Perhaps this is something we can also discuss in the ApeCoin DAO. Need to see if there is an easy way to track this.

The following ApeCoin Delegates have not appeared active on [forum.apecoin.com](https://forum.apecoin.com) in 2023.

If you have delegated your APE to these Individuals and/or community delegations. I would consider reviewing your delegation to a more active member of the DAO.

This does not in any way shape or form reflect or represent the individuals below in any manner. This is only a list of delegates who have not accessed the forum this year and nothing else.

To discuss:

1. People maybe active but on other media channels and hence still valid delegates.
2. Delegates or Delegations may have more than one user account, so the data maybe not be 100% accurate
