## ABOUT

DAOplomats is a governance-as-a-service organisation that empowers DAOs through effective governance, treasury management, grants programs, and community-building initiatives. We leverage our expertise to help DAOs achieve their full potential by fostering collaboration and maximising posi

## Values

**Objective Decision-Making:** We implement frameworks that combine qualitative and quantitative analysis to arrive at well-reasoned conclusions.

**Decentralisation:** We believe in empowering communities and strive to push decision-making power to the edges.

**Positive Sum:** We prioritise collaboration and win-win scenarios, fostering a collaborative environment where all stakeholders benefit.

## Experience:

We have a proven ability to:

- Design and implement effective governance frameworks.
- Analyse proposals objectively and make data-driven recommendations.
- Foster productive discussions and build consensus among community members.
- Manage grants programs that support innovation and community growth.
