

Secret Foundation

Secret Foundation is a private organization focused on many aspects of Secret Network, including the marketing, branding, community, social presence, accessibility, and most importantly growth of the ecosystem. Their mission is to drive the global adoption of open-source privacy technologies. The team consists of multiple full-time employees and contractors from all corners of the decentralized web who focus on general marketing, content, design, media, external relationships, and more. Secret Foundation also helps manage critical communication channels such as the Secret Network [website](#), [Discord](#), [Telegram](#) and [Twitter](#). The entity is currently structured as a private company. They currently receive 0% of Secret Network block rewards after a recent proposal passed.

The Secret foundation is currently being migrated to a new NPO entity in the Cayman islands - <https://forum.scrn.network/t/update-on-secret-foundation-formation/7020> Quarterly transparency reports for the Foundation can be found on the Secret Network Forum.
