

Simple Summary

Optimism Mainnet's upgrade to Bedrock has been set to June 6, 2023 at 16:00 UTC. As a result of the upgrade, there is expected to be 2-4 hours of downtime for OP Mainnet. On upgrade day, transactions, deposits, and withdrawals will be unavailable for the duration of the downtime.

Gauntlet is continuing to assess the potential market risks and will keep the community informed. We welcome thoughts from the community in the meantime.
