

AIP Name:

[AIP-173: Add new Discourse Category for "Administrative Review"](#)

Implementation Status:

Complete

Author:

[@btang](#)

Abstract Summary:

In the current format of forum.apecoin.com, it is currently difficult to follow the status of an AIP once it has been sent to the Special Council for Administrative Review. This is between AIP Drafts and Withdrawn AIPs (for returned AIPs) or Live AIPs (if it has been approved to vote). This proposal seeks to add a category on Discourse to easily identify those under Special Council review.

Overall Cost:

There is no cost associated with this AIP.
