

Dear all,

This is Sili from InfStones.

We wanted to share our postmortem report of an incident on 2023-01-14. The full write-up can be found here: [01-14-2023 Incident Postmortem

With the help from Lido team, we have calculated the reimbursement amount to be 0.53427 ETH,

This is based on the data from the affected blocks:

5573378, 5572026, 5570898, and 5569985 (links can be found in the Google Drive report).

We sent 0.53427 ETH to the Lido Execution Layer Rewards Vault 0x388C818CA8B9251b393131C08a736A67ccB19297
