

# Summary

Gauntlet recommends supply cap changes for one asset on Polygon Aave V3.

Per Gauntlet’s [supply and borrow cap methodology](#), we recommend increasing WMATIC supply cap to 120,000,000.

# Motivation

The supply cap for WMATIC surpassed the 75% threshold to 76% usage on Polygon Aave V3. Based on the asset’s market ADV and liquidity depth, our Methodology supports increasing the cap to 120M (\$85M).
