

Greetings dYdX Community!

We are thrilled to share the 2024 Semi-Annual Ecosystem Report with you.

This comprehensive document highlights the remarkable achievements, product releases, and community engagement that have helped solidify dYdX's position as a leader in the decentralized finance space. The first half of 2024 had many highlights, including:

- \$166B in trading volume generated
- \$32M paid out to Stakers and Validators
- 62 Governance Proposals passed
- iOS and Android Apps launched
- 40+ markets launched and 800+ new markets unlocked

You can view, download and share the entire 22 slide presentation here:

Looking ahead

As we reflect on the achievements of the past six months, we're even more excited about what lies ahead and grateful to the committed and growing community of contributors to the dYdX ecosystem. Together, we will continue pushing the boundaries of decentralized finance.

Here are a few of the slides contained within the report:
