

With 1,594 applicants for RetroPGF 3, there was a need to run an [Application Review Process](#) whereby anyone could submit a report for an application that is in violation of [RetroPGF Application Rules](#). Over 1,000 applications were reported for violating the Application Rules.

40 badgeholders participated in reviewing these reports and decided if an application is in violation of the Application Rules, these reviews took place between October 23rd - November 1st. For a full overview of the review process see the [Application Review Process](#) forum post.

Appeals Process Overview

- The full list of applications that were found to be in violation of the Application Rules, and are due to be excluded from participating in RetroPGF 3, has been published [here](#).
- If you believe your application has been wrongfully excluded, and is not in violation of the Application Rules, you can file an appeal by November 3rd at 8pm UTC

by using [this](#) form. (Note: you cannot edit your application during this period, only request reviewers take another pass at the content of your application as is).

- All appeals will be reviewed by an additional set of Badgeholder Reviewers, who will reassess applications based on the appeal. This review will conclude on November 5th at 8pm UTC
