

Organizing a Weekly Poker Tournament: The primary objective is to create a fun and engaging experience for the members of your DAO.

- 1st Place: 20 APE
- 2nd Place: 10 APE
- 3rd Place: 5 APE

You could even set this up as contributions for the upcoming season.

There will be a contribution worth 5 APE upon participating in the tournament, and an additional contribution for the top 3 winners: 20 APE / 10 APE / 5 APE.

On my end, I can create a poster or a video to present the poker tournament.
