

Hey folks,

The link to join tomorrow's governance call to discuss the proposal pipeline and notable discussions is on the [governance calendar](#).

Date:

August 13, 2024

Time:

16:00 - 17:00 UTC

The agenda below will be fluid. For authors and/or key contributors of these proposals, it would be helpful if you could include a tl;dr / update of your proposal / discussion in the comments so delegates can review them and prepare their questions for the call.

Since authors of most proposals that are in the voting phase have already gone through tl;dr's and responded to questions in previous sessions, the call will be used to cover 'notable discussions

' on proposals.
