

# Introduction

Snapshot is committed to delivering exceptional value to the Lido DAO. For this reason, we are excited to present a comprehensive proposal to Lido, focusing on improving governance processes through our premium solutions. We offer services designed to streamline proposal monitoring, expand engagement capabilities, and elevate the overall governance experience.

## Our services

- Enhanced monitoring service

: Upgrade in monitoring efficiency with spam or scam proposals flagged within a maximum delay of 2 hours.

- Expanded proposal content limit

: Increase from 10k to 20k characters, allowing for more comprehensive proposal presentations.

- Increased proposal submission limit

: Expanded capacity from 20 to 40 daily and from 100 to 200 monthly.

- Customizable whitelabel interface

: Tailor the Snapshot interface with Lido's branding, including custom domain, colors, and logo. An example can be found in SushiSwap's interface at [vote.sushi.com](https://vote.sushi.com)

- Extended voting strategies

: Extend the number of voting strategies from 8 to 10.

- Enhanced visibility

: Elevate Lido's presence with higher ranking on [snapshot.org](https://snapshot.org)

homepage and search.

- Dedicated Telegram support group

: Access to a dedicated support channel with a response time of maximum 4 hours.

- Service level agreement (SLA)

: Guarantee of a high standard of service and responsiveness.

## Pricing

Our services are currently priced at 600 USDC

per month, and we're requesting 6,000 USDC

for one year of service at a reduced price.
