

This thread is intended to provide an insight to ScaleWeb3, a record of ScaleWeb3's voting, reasoning for each vote and a collection of important comments across the Optimism forum & proposals.

Name:

ScaleWeb3

Delegate Address (ENS):

0xA56DfbE8010a8830a9Fe5B56e8efF7236e277120 (Superdelegate.eth)

Websites:

scaleweb3.com, blockchain-comparison.com, defi-reporting.com

Forum Activity:

[Profile - ScaleWeb3 - Optimism Collective](#)

ScaleWeb3 is a company specifically created to support quality projects (I1s, I2s, DeFi, Web 3) with

- ecosystem building incl. strategy input, stakeholder onboarding, education, value-adding tools & apps for all kinds of Web 3 stakeholders (users, investors, projects, etc.)
- input to products
- input to governance governance.

We leverage blockchain-comparison.com, defi-reporting.com and more channels to distribute quality info.

PS: We have had issues with our I1 multisig voting on Optimism after voting cycle #2

due to a security change from Snapshot. Pls redelegate from ScaleWeb3.eth to Superdelegate.eth!
