

We are thrilled to mark the conclusion of Season 8 in the dYdX Incentive program and to announce the start of Season 9.

This post is a quick announcement of the change of season with a more detailed review of key performance metrics to follow in the coming days. Any changes to the program will be announced along with this review.

The proposed distributions will be shared on Thursday 23 January with the distribution proposal being posted on-chain on Monday 27 January.

Next Steps

The timeline for next steps is as follows:

- Share the proposed Incentive distribution for season 8 by EOD Thursday, 23 January 2025.
- Post the DRC distribution proposal by EOD 27 January 2025.
- Share an analysis of the performance of the incentive program by EOD 23 January 2025.
