

August 2024 Transparency Report

GM ApeCoin DAO!

Here is your August 2024 Transparency Report.

August was a busy month for the DAO. Check out the report below for all the key highlights!

Small Grants Initiative in Full Swing!

The GWG Small Grants Initiative is ON FIRE

! We've received over 70 submissions so far and have had more than 20 successful recipients with another 9 about to be voted on by our awesome Committee. Check out these tweets showcasing a couple of the amazing projects funded through the program:

Delegate Accelerator Program

The GWG has also launched the Delegate Accelerator Program. This program aims to build stronger delegation communities within ApeCoin, empowering other communities to participate in ApeCoin DAO governance. Due to overwhelming support, there are now 14 communities participating in this initiative! We are super excited to see this program continue to grow and develop.

WebX Tokyo Presence

The DAO also had a HUGE

presence at WebX Tokyo! Massive shoutout to [@MisterHype](#) for putting up an [AIP](#) for this and getting the DAO front and center! With ApeChain front and center, the DAO was the talk of the conference. We also had many DAO members on various panels during the event. Check them out below:

APE_U AIP Author Fellowship

AIP_U is also in full swing with our first of many AIP Author Fellowships, a proposal writing coaching program pairing authors with a variety of experts, delegations and of course our incredible APE_U Coaches!

Submitting AIPs can be tough, especially when it comes to mastering proposal writing.

We're here to support the [#APE_U](#) Authors Fellowship, a four-week mentorship connecting new DAO entrants with top contributors in the [@ApeCoin](#) ecosystem.
