Our monthly Index report will bring you the latest updates in a concise, easy to digest way.

Comparing the Avalanche and Arbitrum Indexes, in contrast to the previous month, our Arbitrum Indexes saw growth with our DeFi Index taking the lead with an increase of 35%, while the Avalanche Indexes corrected from humongous growth in November with the biggest loser being our Avalanche Gaming NFT Index which dropped by around 50%.

Let's dive deeper to see what happened in the last 30 days.
