

## [Protocol Name] Grant Bi-Weekly Update

Date: 15 July 2024

### I. Executive Summary:

a) Roadmap Progress: We have officially launched the gmBTC pool as of 10 July 2024. Community members are ready to deposit just awaiting final confirmation from Gaspard on pool balance. gmETH is set to launch this week.

b) Milestone/KPI Achievements: None as of yet

c) Dune Dashboards

### II. Current Progress:

gmBTC pool has been successfully audited and created on Arbitrum Mainnet. Community members will be depositing shortly and APW gauge should go up shortly after to provide additional incentives.

### III. Community Engagement:

We are awaiting the first LPs to deposit (this will be after the pool is properly balanced later today) then we will start to initiate community comms.

### IV. Partnerships and Collaborations:

N/A
