

[Delegate Suspension: ([Tally | Optimism Proposal](#)) : Vote YES, The rules of the community and the delegation process is a responsibility that is acquired and must be respected at all times, that is why I agree to suspend your participation in this process.

[Upgrade Proposal: Bedrock](#) : Vote YES, It's a small step for Optimism but a big step for Ethereum scalability, my vote is YES, because the development and commitment given by the team will add value to the rollup ecosystem.
