

<https://snapshot.org/#/apecoin.eth/proposal/0xa24dab47d3526574dcc19add7024c774b5ed02714a0a774f2053925ea601bc1d>

here is the link to the vote, can anyone who voted yes on this proposal tell me why they voted yes? Why they think it is fair when mutants floor is on the rise and will likely go 2:1 and the first year of the staking allocation is 50 percent of all 3 years, meaning the most important year we will be locked in a 5:1 ratio.
