

Plurality Labs Program: "Our Biggest Minigrants Yet"

Program Lead: Diana Chen

Timeframe : Now until March 2024

Judges: Elected council members via JokeRace + Retrofunding Round 1 Citizens ([view announcement](#))

Winners: 4 projects each week over the course of 8 weeks

Prize: 2,500 ARB per project

Total grant amount: 90,000 ARB (80,000 ARB in grants + 10,000 ARB to program manager)

"Our Biggest Minigrants Yet" is an 8 week grant giving series designed to help discover and award funding to the most deserving projects building on Arbitrum.

Over the course of 8 weeks, ArbitrumDAO will award 10,000 ARB to the 4 most deserving projects as determined by the elected ArbitrumDAO grants council each week (2,500 ARB to each project) for a total of 80,000 ARB awarded during this program.

The 8 weekly grants rounds will begin in January 2024. In the meantime, please nominate yourselves for a seat on the grants council if you would like to partake in helping decide the themes for each of the 8 weeks of grant giving, as well as helping determine the most deserving projects to receive funding: [arbitrumDAO grants council](#) (deadline to nominate is Dec 18).
