Educational Background:

Bachelor degree in communication

Professional Background:

I have 10+ years of experience in Digital product design and communication. I worked for both the Public and Private sector in highly regulated environments such as neurosciences and finance.

Before going full time web3 in June 2022, I was responsible of Digital Solutions for one of Europe's biggest asset manager.

Nomination Statement

Concise statement on why you are running for the Metaverse Working Group

I'm running for Metaverse Working Group Steward to help make ApeCoin the backbone of the Metaverse by driving it's adoption by developers, builders and content creators.

Motivation

Details on your motivation for becoming a Metaverse Working Group Steward

I'm passionate by technology, the Web3 space and the potential of ApeCoin since day 1. I'm an easy going and creative person ready for the challenge to drive ApeCoin's Metaverse use by supporting developers, builders and content creators.

I will support community initiatives and provide regular updates on the Working Group progresses in the most transparent way possible. I would love to start a Weekly space open to all to brainstorm ideas, initiatives and gather feedback.

I also participate to many Crypto, Web3 events and conferences where I would love to organize gatherings to discuss the vision and needs of developers, builders and content creators.

Finally, as I'm based in France, it will increase the timezone reach of the group.

Rationale

Share relevant experience and skills that will bring value to the ApeCoin community

During my career, I've delivered and managed projects of all sizes with tight deadlines within budgets. I have strong communication skills and have been speaking at conferences and events. I'm a team player used to navigate in highly scrutinized and regulated environment.

Specifications

Further describe relevant experience, including crypto and governance participation, and/or ideas for DAO improvement

I've been in crypto since 2023 and collecting NFTs since 2020. I've founded a project called The Nanos and a brand inspired by the BAYC and web3 culture: SINGE®. I am part of several communities and the French Apes ApeCoin Delegation.

Concluding Statement

Summarize your statement as to why you are the best choice for the Metaverse Working Group

I'm an easy going and passionate person. I'm transparent and have a deep sense of responsibility and community. I breathe Web3 and I'm full time focused on the space. I won't take this role lightly and will be devoted to the mission.
