

Describe the bug

flashbots methods are not working `api(dot)securerpc(dot)com/v1`. I always get a Response: "Method 'METHODNAME' is not supported." tested with `flashbots_getUserStats` and `eth_callBundle`

To Reproduce

sent header: {'X-Manifold-Signature':
'0x9889FAD4DB79deC094264De686b35CB557C7BD37:0xf463a4253957c9859af89bd1db99bab1e6c11e774ad18bb04b4bbfd015d2bd950850ccd493e3c5c59560177605d9c1f2bb9953ab98bf96990c87.'
'Content-Type': 'application/json'} sent body: '{"jsonrpc": "2.0", "id": "gUS_5BvR2ulyQ", "method": "flashbots_getUserStats", "params": [{"blockNumber": "0xec2810"}]}'

response: {'error': {'code': -32601, 'message': "Method 'flashbots_getUserStats' is not supported."}, 'id': 'gUS_5BvR2ulyQ', 'jsonrpc': '2.0'}

Additional context

2 weeks ago `flashbots_getUserStats` worked this way. Has there anything changed?
