We currently have 7873 members, but unfortunately most are not very active.

I myself am not as active as I would like and am still in the Top 10 of most categories here:

It's pretty much always just the same people posting and commenting on here...

We have to work together to find ways to get our current community to participate and be more engaged.

We also have to find ways to invite more people here to bring more exposure to ApeCoin and the ApeCoin DAO.

As a bonus we could earn some cool badges

I look forward to see your ideas or what you are currently doing and see if I can help in any way on my end.
