

ApeCoin DAO!

[The Governance Working Group](#) in collaboration with OpenCampus, is pleased to provide our first official [APE\\_U](#) update from our [AIP-408 Q2/Q3 2024 Budget Proposal](#). We'd also like to make this our new home to keep everyone up to date with initiative progress and opportunities as well as a safe space for you to ask questions and provide feedback.

Last week marked the conclusion of our Coaches Induction program, where 10 of the DAO's top contributors came together to share what's worked for them in the past with regard to the AIP process and how they felt some of our programs should be shaped. These legends conducted presentations, group exercises and came together as a team with one goal – to help shape the future of ApeCoin DAO by helping to develop stronger proposals. And personally, I couldn't be happier to see it.

Before listing off each of our APE\_U all-stars by name, I want to ensure that everyone here recognizes the receptiveness and great work that [@yesmegbun](#) [@hellowillfan](#) and the rest of the [OpenCampus](#) team is putting in behind the scenes on this, and I encourage you to reach out and say hi to them if you haven't already. Megan will also be providing a more detailed breakdown of what's been accomplished in the following post below.

And oh yeah, the AIP Authbors Fellowship is on the way where ten lucky up-and-coming AIP authors are going to be paired with coaches to go through a 4 week proposal writing bootcamp. Think you've got what it takes to make a good mentee? [Fill out the form](#) and learn from some of the best who have ever done it with some of the strongest networks in the community.

But without further ado, let's give a big round of applause to [@adventurousape](#) [@0xSword](#) [@blockchainzilla](#) [@jarisjames](#) [@Aepicurean](#) [@0xWebMoss](#) [@AaronHaber](#) [@JasonJape](#) [@ZastrowBradley](#) and the GWGs new resident data dynamo [@LiveFast9986](#)

All of you kicked some serious b#tt and APE\_U is very grateful to have you! And to everyone else [APPLY NOW](#) for a shot at landing a Coach
