Some notable things that happen this voting cycle:

- We saw well over 550+ wallets voted during this previous voting cycle. The most since September of 2023!
- While we had over 550+ wallets voting, AIP-495 and AIP-572 only saw ~13 million \$APE being used to cast a vote, whereas AIP-514 saw ~24 million \$APE.
- The Made By Apes Delegate failed to reach Quorum again ([Abstaining doesn't count towards Quorum](#)).
- We remained at 298 Delegates, but added 7 more delegators which is now up to 1381 delegators [Please note that it has been determined that there are a substantial amount of Delegates who are not participating in voting.](#)

Happy 2025 ApeCoin DAO. Looking forward to see what everyone has in store.

If you would like to delve deeper in the data, please check out the [ApeCoin AIP Information Dashboard](#).

If there is specific data or information you are curious or interested in seeing, or would like to leave general feedback, please do so either in the comments or DM me.
