

Recently the delegate incentive program has been approved on chain for the start of its operations. To expedite the process, we suggest delegates fill out the following template in this thread to indicate that they are interested in participating in the incentive program.

## Criteria

- Voting Power

: >50K ARB, corresponding to 175 delegates. (Source:[Arbitrum Delegates and Voting Power - Dune Analytics](#)).

- Historical Participation Rate (Tally)

: Over 25%. We would like to express that for the calculation of the participation rate in tally, proposals with the prefix “[OLD]” or those that have been considered “tests” will not be taken into account.

## Template

- Forum Username (Link):
- Twitter Profile (Link):
- Snapshot Profile (Link):
- Tally profile with the exact % of participation at each moment (Link)

## IMPORTANT ATTENTION: KYC

Once a delegate's application has been confirmed

, in order to receive any sort of compensation, it is necessary for delegates to complete a KYC process administered by the Arbitrum Foundation. Applicants should send an email requesting the foundation's KYC process to [compliance@arbitrum.foundation](mailto:compliance@arbitrum.foundation).

We ask delegates to calculate their participation before sending the KYC mailing, this [table](#) may help them. They can also apply for KYC near the start date of the program or near the end of the first month of the program. As far as we know, KYC approval is not a lengthy process.

**We are trying to avoid KYCing people unnecessarily.**

**Please use this thread only to complete the template. If you wish to ask questions or give feedback please do so in this [thread](#).**
