

Constitutional Delegate Compensation - April 2023

The following table contains the payment addresses and amounts for the Constitutional Delegates receiving compensation for their work in April 2023. These payments will be distributed in the executive vote planned for 2023-05-17.

Details on how Delegates are compensated in the Endgame may be found in [MIP101](#) and [MIP113](#).

As per [MIP113](#) Constitutional Delegate compensation is paid to the address registered and verified by Delegates as their Ecosystem Actor address during the sign up process.

The payouts for April are as follows:

The total MKR that will be paid to these eleven delegates is 190.4 MKR

.

- Feedblack Loops LLC and Pf did not qualify for compensation based on vote participation metrics.
- mhonkasalo & teemulau did not receive their first delegated MKR until May and will be eligible for payments in May, metrics permitting.
- Bhandar did not become recognized as a Constitutional Delegate until May.

A new tracker has been developed for monitoring Delegate compensation in the endgame, it is a combination of the former metric trackers and compensation calculation sheets.

The calculations for April 2023 may be seen on [this sheet](#). Various other data points including voting participation and communication may be found in other tabs of the sheet.

Further improvements and automations are planned for this sheet in the short-to-medium term.
