

Sovereign Finance AVC is glad to announce that next Wednesday, December 13th at 17:00 UTC/18:00 CET will hold an out of schedule meeting with Wouter and Teep from Powerhouse as guests to give us a community update on the progress of the Universal DAO Toolkit and the RWA reporting business feature they are building.

This post - [Powerhouse Status Update](#) - likely has sparked numerous questions. Feel free to bring them up during the upcoming meeting for the Powerhouse team to address.

- Date: 2023-12-13T17:00:00Z
- Location: [Sovereign Finance AVC voice channel](#)
- Guests: Wouter and Teep from [@Powerhouse](#)
- Purpose: Community update from Powerhouse EA - RWA reporting business feature
- Agenda overview:

-Intro to Powerhouse Ecosystem Actor & role in Endgame

-Short Q&A

-Feature spotlight RWA Reporting feature

-Feature discussion

We extend the invitation, especially to [@Aligned_Delegates](#), [@AVC_Member](#), and all Maker Ecosystem.

We kindly ask [@Nix](#) and [@EE-Gov-Facilitator](#) if you could add this meeting to the Maker's Discord agenda.

See you there!
