Here's some popular ways that you can acquire SCRT in order to interact with applications on Secret Network, such as SecretSwap and Secret NFTs.

1. Centralized Exchanges
2. purchasing on CEXes like Binance, MXC, or others. Here's a list of available [markets](#).
3. Ethereum DEXes
4. purchasing wSCRT on Uniswap, then using the [Secret Bridge](#) to unwrap it on Secret Network. [Here's a video guide to acquiring wSCRT.](#)
5. SecretSwap
6. purchasing SCRT on [SecretSwap](#) using bridged ETH, USDT, or other assets. Use the [Secret Bridge](#) to turn your ETH into sETH, then trade for SCRT!
7. Over-the-counter
8. purchasing SCRT directly from other community members. If you need a small amount of Secret for gas, try asking in the [#secret-pizza](#) channel on Discord.

Go get secrets!
