

# Getting Sei Tokens

⚠ Note that Sei may not be tradable in your region, subject to local laws and restrictions.

## Acquiring tokens on Sei Networks

### Centralized Exchanges

Purchasing SEI through centralized exchanges is the easiest method. SEI is available on several major exchanges including:

- [BitGet\(opens in a new tab\)](#)
- [KuCoin\(opens in a new tab\)](#)

### Bridging

Bridging is essential for transferring tokens between different blockchains. This allows you to utilize tokens from various chains on the Sei network in their wrapped forms. It's crucial to verify the compatibility of the wrapped versions of your tokens on the Sei chain.

For the best bridging experience, visit the [Sei Bridge page\(opens in a new tab\)](#).
