

Some weeks ago, after hearing me speak at various Spaces, including the Sat sessions on the BoTB Spaces, Lanzer reached out to me to ask if I would be interested in coming to talk to him about our DAO, the challenges etc. I agreed. And so, he setup a session. A few days ago we had a discussion that lasted a little over an hour. We covered many topics and we had some hilarious parts. Check it out.

You can listen/view the discussion on [Spotify](#) and [YouTube](#).
