

Individual identity

The Optimism Collective represents individuals using unique identifiers generated through the [Farcaster protocol id registry\(opens in a new tab\)](#) . This system ensures a secure approach to identity management within the collective.

Registering a user ID

To obtain a unique identifier:

1. Use the [Farcaster Id Gateway\(opens in a new tab\)](#)
2. Use the Warpcast app, which:
3. Creates a new custody address
4. Acts as a wallet

Making attestations

When you make attestations about individuals:

- Leave the recipient address blank
- Enter the users id into the attestation metadata
