

Proposals submitted to the AIP Ideas section don't need to be presented as fully finalized AIP Drafts, they may lack some details in the beginning. It's important to use the mandatory 7-day discussion period for AIPs to gather feedback and engage with the community, not only on this forum, but also across other community discussion platforms.

Please use the AIP Draft Template below.

The Facilitator team will assist and guide you through the phases of the AIP process. If necessary, you can extend the discussion period for another 7 days by updating the [@Facilitators](#).
