Hey everyone, I'd like to introduce "ApeZone" a community member-made metaverse space in Mozilla Hubs (Firefox). I'm just testing the waters here since the metaverse is still new to some. All feedback is appreciated, so go ahead and let me have it!

Here, you can get a sneak peek at this week's upcoming proposals, all displayed on the walls across the space. Stay to mingle, exchange ideas, and maybe even get into live conversations with the Authors behind these AIPs. While I haven't had the chance to reach out to the Authors yet, it's on my to-do list, and I'll be making that happen soon. As I get a feel for our community more, and its needs within this metaverse, I plan to expand and refine this concept further. Stay tuned!

Here are some AIPs posted on the walls
