Background

We're cpox

- a crypto-community created to unite enthusiasts, gain education and understanding of the cryptosphere

Our commitment to public good values is proven by continued support from people to our grants from [Gitcoin Grants 4](#) up to the [present](#), as well as awards in the Retroactive Public Goods Funding from [Optimism](#)

Developers trust us. We are active signers in projects like [Yearn](#) and [SpiralDAO](#)

We are one of the best delegates of the largest DAO - ArbitrumDAO.

Over the past 3 months, we have always been in the top 3 best in terms of voting level, communication and commenting proposals.

Motivation

We participate in many DAOs as a delegate and we like to work in this direction for the benefit of the development of the crypto. And we have a lot of experience in this.

Values and Decision-Making Approach

In our voting we always adhere to :

- honesty,
- objectivity,
- transparency,
- strive to develop the community for the public good.

With such principles, we are confident that we can help Lido develop.

Public Acceptance

We apply and accept [the Lido Public Delegate Code of Conduct](#) and with [Purpose/Mission/Values of Lido DAO](#).

Disclosures

We are [delegates of several DAOs](#).
