

Continuing with our series of financial transparency updates to the community, the Uniswap Foundation is excited to post the unaudited summary financials for the quarter ended September 30, 2024.

#### Assets on Hand and Projected Funds Usage

On September 30, 2024 we had \$33.83 million in USD and stables on hand and UNI 0.61 million (in UNI). The fiat (USD) cash and stables are to be used for grantmaking and operating activities and the UNI for employee token awards. The expected runway was through the end of 2025 and was earmarked as follows.

Grants commitments and incentives: a total of \$24.72 million was allocated towards grants. \$17.33 million to be committed in 2024 and 2025 and \$7.39 Million was reserved for grants committed previously, to be disbursed. The remaining \$9.11 million was to be used to fund operations expenses through the end of 2025.
