

Dear Community,

I am writing to formally announce my resignation from my position as Governance WG Steward effective Jan 31, 2024. This decision has not been taken lightly, but after considerable reflection, I have decided to step down.

My role as a Governance Steward has been a valuable experience and it was an honor to serve the DAO. The dedication, energy and creative spirit of this community have been truly inspiring, and I am grateful for the opportunity to have worked alongside you all.

Congratulations to all the newly elected Special Council members and Stewards, best wishes to a successful 2024 for the ApeCoin DAO. While I am stepping down from my official role, I will remain active as a DAO member. I will continue to support the Working Groups and community in any capacity that I can, and will stay involved in DAO initiatives.

I am sincerely thankful for your understanding and support during this transition, and I look forward to seeing the continued growth and success of our community.

Best regards,

Tiger
