

F\*\*k It Productions

is a Web3-Native Event, Entertainment & Production Company, powered by creativity and innovation.

With our roots in the Bored Ape Yacht Club, we bring together the most dynamic elements of the web3 community to craft immersive and unforgettable event experiences.

As part of our collaboration with Thank Ape and as BBAC recipients in their program, we want to create inclusive experiences that give back to the entire APE ecosystem.

We're honoured to have been selected for the Thank Ape BBAC Accelerator Program for Season 6.

Don't miss our upcoming "F\*\*k It Friday 2"

in Hollywood, LA on August 9th

where we are additionally collaborating and partnering with some of the best BBACs and MBAs at our event.

All holders of at least 1 ApeCoin will have token-gated access to tiered tickets and also receive 10 APE

from Thank Ape as part of the Season 6 contributions.

Tickets can be accessed on Tokenproof at [tokenproof](https://tokenproof.com)
