

Is it time for the Ape Foundation, Special Council, Working Group committees, facilitators, Banana Bill, and ApeChain personnel to speak out the issues honestly and the challenges faced since elected, as no one knows better than you all in the DAO?

Example

**Challenge:**

- Unable to add GWG initiatives to [apecoin.com](http://apecoin.com)

**Issue:**

- [apecoin.com](http://apecoin.com) not consistently updated

It is crucial and meaningful for DAO future management setup and improvement.

Since [@BojangleGuy](#) and [@Waabam](#) already took the first step, now or never.
