

I propose based on popular demand that we reduce the ApeCoin only staking pool for Period 2 running from December 12th of 2023 through December 11th 2024 by 66% or 10 Million ApeCoin.

Over the next week we will choose between two options to present in the AIP.

A) Allocate the 10 Million ApeCoin to the BAYC, MAYC, and BAKC pools.

B) Do not Allocate the 10 Million ApeCoin
