

Hi there,

I just noticed that I lost all my AAVE at eth and polygon chain. Is there something we can do to inform others ? Are the rest coins in danger? To whom should I talk to start an investigation or blacklist the contract address that the stolen AAVE was been sent to?

This is the Phishing address at Polygon 0x0000db5c8B030ae20308ac975898E09741e70000

Some of my aave sent here 0x53d0E4dAb3E125dd25EcFB24Ca610075Fa9bC8e1

and some other here 0xF230aa03B9ada2da105Cc938479B78b27DF44e7C

My AAVE end up to 3 wallets . They have hundres of AAVE each.
