

Here is the document about state rent:

https://github.com/ledgerwatch/eth_state/blob/58351eb8b70fa6031da1e23c1a77d982be677078/State_rent.pdf

Because I wrote most of it, it most probably reflects lots of my opinions, but I tried to incorporate alternative points of view to the extent it would still make description tractable.
