

[Kai Tiurin](#) who leads the Lido Terra Product team has been shortlisted as a candidate for the LEGO Insiders program to help grow development and engagement within the Lido Terra ecosystem. Kai is a significant member of the Lido product team and has demonstrated a clear ability to grow the presence of Lido across Terra. Adding to this he has a strong interest in seeing Lido succeed, making him a qualified candidate for the LEGO Insiders program.

If proposal is passes:

- Kai will be added to the LEGO Committee.
- Kai will be allocated an individual quarterly budget of 10,000 LDO out of LEGO's communal budget.

If proposal is rejected:

- No changes to the status quo.

Proposed LEGO Committee composition

If the proposal passes, the LEGO Committee will be expanded to include 13 individuals with a range of backgrounds and experience each responsible for a specific segment of Lido.
