Uniswap

UNI, the Uniswap Protocol token, is live!

Uniswap governance will be live from day one, although control over the treasury will be delayed until October 17 2020 12:00am UTC. Control over the Uniswap fee switch is subject to a 180 day time lockdelay.

In the meantime, UNI holders will have immediate ownership of:

- Uniswap governance
- UNI community treasury

*** The protocol fee switch**

- eth ENS
- Uniswap Default List (tokens.uniswap.eth)
- [SOCKS](#) liquidity tokens
